If you’d like to join our dedicated Technicians day, please book a ticket on [Eventbrite](#). The [ASE Annual Conference webpage](#) is also full of additional information including social activities and exhibitors – please browse what we are delighted to be offering for 2022. Technicians will be able to attend either a half day, or a full day as they choose. Prices for members are £35 for a half-day’s attendance and £49 for a full day. And don’t forget to view the Street Food and Swing Band social for the evening!
